(54) Title: IMPROVING THE ACCURACY OF THE ESTIMATION OF COMPUTER RESOURCE USAGE

(57) Abstract: The present invention provides a method and system (1) for improving the accuracy of an estimate of computing system resource usage, the method comprising the steps of obtaining utilization data of system resource and first transaction count data, obtaining further transaction count data and processing the transaction count data and further transaction data to provide an improved estimate of the number of transactions executed during a given time interval.
